DETAILED ACTION

This application contains claims numbered 19-25. Claims 1-18 have been canceled.

Claims 19-25 are allowed.

REASONS FOR ALLOWANCE:

The following is an examiner's statement of reasons for allowance: Although the prior arts disclose a variety of coupling devices, it fails to teach or suggest a pair of rectangular arresting plates each structured with central flat press portions and arresting means formed on one end portions for halting said movable portion at a selected position and an elastic means for slidably biasing said arresting plates against each other in combination with other limitations which are not found in the art to be participated or rendered the claims obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
